### THE ORGANIZATION

NYSABE is a multilingual, multicultural association founded in 1975, which represents all language groups and educational sectors throughout the State.

NYSABE unites educators, parents, community and business leaders, elected officials, the media and policy makers in a common interest — excellence and equity for language minority students.

NYSABE encourages the establishment, maintenance, and expansion of quality programs in bilingual education.

NYSABE promotes bilingual education as a process by which students achieve success through instruction in their native language while learning English.

NYSABE supports the belief that language pluralism and bilingual competence in English and other languages benefit the nation and all its citizens.

NYSABE believes that bilingual education is a critical component of contemporary education in the United States.

NYSABE is affiliated with NABE (National Association for Bilingual Education), SCOL, (New York State Council of Languages) and NYSCEA (New York State Council of Educational Associations).
